LOCAL 642, SECURITY ALLIANCE OF  
FEDERATED EMPLOYEES UNION

Petitioner

DECISION AND CERTIFICATION OF REPRESENTATIVE

The National Labor Relations Board, by a three-member panel, has considered objections to an election held on December 16, 2014, and the hearing officer's report recommending disposition of them. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 18 for and 5 against the Petitioner, with 2 challenged ballots, a number insufficient to affect the results.

The Board has reviewed the record in light of the exceptions and briefs, has adopted the hearing officer's rulings, findings,<sup>1</sup> and recommendations, and finds that a certification of representative should be issued.

---

<sup>1</sup> The Employer has excepted to some of the hearing officer's credibility findings. The Board's established policy is not to overrule a hearing officer's credibility resolutions unless the clear preponderance of all the relevant evidence convinces us that they are incorrect. *Stretch-Tex Co.*, 118 NLRB 1359, 1361 (1957). We have carefully examined the record and find no basis for reversing the findings.

CERTIFICATION OF REPRESENTATIVE

IT IS CERTIFIED that a majority of the valid ballots have been cast for Local 642, Security Alliance of Federated Employees Union, and that it is the exclusive collective-bargaining representative of the employees in the following appropriate unit:

All full-time and regular part-time security guards employed by Professional Security Consultants, Inc. at Bush Terminal/Industry City located in Brooklyn, New York; but excluding Director of Security, Assistant Director of Security, professional employees, managerial employees, temporary employees, confidential employees, all other employees and supervisors as defined by the Act.
